

Our Story

We provide industry-leading services designed to achieve your objectives.

Incorporated in August 2007, Stefto has been a leading provider of knowledge process outsourcing services to banks and financial institutions for over 19 years.

Currently Operating in Gurugram, Delhi, Noida & Pune

We are committed to helping our clients grow their business by providing world-class, cost-efficient services with excellent quality of work. Our tech-driven approach, combined with AI-enabled services, ensures consistent performance that goes beyond client expectations.

Goals

We tackle our clients' most difficult challenges by offering exceptional services in strategy, consulting, digital, technology, and operations. Our goal is to drive innovation that enhances both, the way the world operates and the quality of life.

Mission

To shape the future of the Business Process Management industry by pioneering transformational technologies and capabilities. We strive to stay ahead of the curve to drive growth for our customers, deliver value to investors, and enrich overall experiences.

Vision

Our aim is to lead in the markets we target and be recognized as the most trusted partner by our global clients. We achieve this by streamlining complex business processes with advanced technology and top-notch industry practices.

OUR HISTORY & ESTABLISHMENT

Over a decade of driving transformational change.

Founded in August 2007, Stefto has been delivering knowledge process outsourcing services to banks and financial institutions for over 19 years. Our team of over **1600 skilled professionals** comes from various backgrounds, allowing us to provide top-notch inbound and outbound services.

We have robust field support with our presence in more than 4 locations across 8 centres in India, with our Headquarters in Gurugram, Haryana.

EXPERIENCE EXCELLENCE

Digitally Empowered Customer Interaction

Our people have the social, emotional, and problem-solving skills to handle the complex issues that customers can't solve through digital self-service.

EXPERIENCE EXCELLENCE

Intelligent Back-Office

We outperform internal teams through continuous performance measurement, rigorous quality control and industry-specific knowledge.

OUR TIMELINE

August 2007 Company Established

Founded as IMS, delivering knowledge process outsourcing services for banks and financial institutions.

December 2023 Rebranding to Stefto

We underwent a significant transformation, rebranding IMS to Stefto. Reflects our evolution and commitment to providing innovative solutions.

What we value

These core principles shape our culture, guide our interactions, and form the foundation of our operations worldwide.

Professionalism

At our core, we uphold the highest standards of professionalism, ensuring every interaction reflects our commitment to excellence.

Empowerment

We celebrate the individual journey of growth and success, fostering an environment where personal achievements are recognized and valued.

Solidarity

Our emphasis on solidarity creates a cohesive community, where collaboration and communication thrive to achieve common goals.

Authenticity

Transparency and honesty form the foundation of our operations. We believe in the power of authenticity to build trust and credibility.

Vibrancy

Infusing energy and enthusiasm into everything we do, our vibrant culture sparks creativity and innovation, driving dynamic solutions.

Innovation

We leverage cutting-edge technology and intelligent automation to continually refine our services and drive forward-thinking results.
